**Thought for Thought**

Patience and perseverance have a magical effect before which difficulties disappear and obstacles vanish. - John Quincy Adams

**Tips & Information**

**HAPPY EASTER!** Have a Happy & Safe Spring Break! April 22 is known as Earth Day all over the world, first celebrated in 1970. Earth Day is a day to celebrate and learn about the environment. This is a good day to remember to appreciate nature & learn ways that we can protect our environment. Kids, talk with your parents & see what you can do to help keep the planet clean!!!

**\*\*Menu Subject to Change\*\***  
A variety of milk will be served at each meal.
